

NATIONAL SERVICE SCHEME- NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the student youth of Graduate at colleges to take part in various Government led community service activities & programs. The primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS.

Aims and Objectives

The NSS is a part of our academic, social, and personal lives. It enables students to actively offer their time and talents to the betterment of their society and country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, as a result, become responsible citizens of India.

Motto of NSS---"NOT ME BUT YOU" This embodies the essence of democratic living and emphasizes the importance of selfless service, respect for the other's point of view, and consideration for fellow humans. It emphasizes that an individual's well-being is ultimately dependent on the well-being of society as a whole.

About our NSS Unit

NSS unit in TMM College of Nursing was established on 27th Oct 2022, with a vision of personality development of students through community service and well as development of rural areas in India. NSS Unit has been introduced in colleges with an optimism of establishing a sense of social responsibility amongst students and inculcating values of self-discipline and selfless dedication towards community development. Our 100 students are registered as a volunteers of NSS unit.

Presently, B.Sc Nursing 3rd sem- 50 volunteers

B.Sc Nursing 5th sem- 50 volunteers

We, being a part of NSS unit, undertook various activities in the college and adopted village to promote interaction with the villagers and used the NSS platform to spread awareness about different social issues. Organized medical camps in different places, health day programs, school health programs to strengthen health promotion and disease prevention intervention and government programs to support and promote development of student youth. The objective of the NSS is the "development of the personality of students through community service."
